

Entrance Scholarships

Scholarships based on High School Leaving Certificate

CDA awards entrance scholarships to students who have obtained a minimum grade of 18.5/20 in their high school leaving certificate. In addition, the College can consider outstanding graduating students for partial scholarships.

Scholarships based on financial necessity

Tuition reduction for unemployed students possessing an unemployment card, multi-membered families, orphan students, single parents, students under the supervision of the Social Welfare Services.

Scholarships based on athletic skills

These scholarships are offered to students who have been registered athletes in various clubs, and who are willing to participate regularly in the sports teams of the College. The scholarship given is up to 20% of tuition fees and is based upon the participant's performance and the degree of participation, which are evaluated regularly by the College.

Family Scholarships

The College awards scholarships in case of registering 2 or more members of the same family at the same time

More scholarships are offered for:

Early Registration

Family Relations to current C.D.A employees
